

Brake&Clutch Cleaner

A powerful cleaning aerosol is used to remove oil, grease, dirt and dust from brakes and clutches, aiding in the elimination of brake squeal and clutch slip caused by glazing and contamination. Brake cleaner helps brakes last longer and perform better.

Advantages:

- Effectively removes the deposits like leaking brake fluid, grease, oil and hardened contaminations.
- Eliminates dust from brake and clutch parts.
- Reduces disc-brake squeal and clutch chatter.
- Can be applied without disassembly, saving time and reducing maintenance costs.
- Evaporates quickly.
- Leaves no residue.
- Excellent penetration
- Stable, non-staining and non-corrosive to metals.
- Aerosol is equipped with a 360° (upside-down) spray valve and extension tube for added convenience.

Usage Areas:

Perfect for cleaning and degreasing:

- Brake linings
- Drums
- Cylinders
- Brake shoes

- Disc brake pads
- Discs
- Wedge brakes
- Springs
- Calipers
- Clutch discs

How to use:

- Shake vigorously before use.
- Apply the spray from a distance of 7,9 inch from the surface.
- Squeeze on contaminated surfaces, and dirt from penetrating flow wait.
- Parts in the open air, or wipe dry with a dry cloth.
- Repeat the process several times very dirty areas.

Limitations:

- Do not spray onto extremely hot brakes and clutches.
- Do not spray on a naked flame or glowing objects have become.

Safety

- Use gloves when working.
- Pressurized container. Do not expose to temperatures higher than +122°F.
- Keep away from direct sunlight
- Do not pierce or burn, even after use.
- Keep away from sources of ignition, no smoking.
- Keep out of the reach of children.

Shelf Life:

- Optimal storage condition is from 46°F to 70°F.
- Storage below 46°F or higher than 82°F can affect product properties negatively.
- 36 months, If is stored at optimal storage condition.

Packaging (Weight/Volume):

12,3 oz Aerosol, 24pcs in a box.

Physical & Chemical Properties

Chemical Structure: Liquid Aerosol

Appearance: Transparent

Density: 0.70±0,02 g/ml

Odor: Characteristic

Flash Point: N/A
